

## Directions to Mitta Mitta Dartmouth Dam and Shark's Tooth rapid

From Victoria there are two routes, both about the same time and distance: Up the Hume and either a) turn off at Wangaratta on the B500 Wangaratta to Beechworth Rd or b) from Wodonga, head east along the Murray Valley Highway following the signs to Mitta Mitta. About 3 km before the township of Mitta Mitta is a turnoff on the left; signposted 'Dartmouth'. Follow this until you see Callaghan Creek Road. 4.75 km gets you to the parking for the Classic finish, another 1 km gets you to the turn off to the Sharks Tooth. This is private property and the gate must be closed after you. The turn off to the dam is a further 2km towards Dartmouth and is well signposted. Classic start. Drive in and follow the canoeist's access track from the regulating dam car park after ignoring the dangerous weir sign, head to the bottom of the track. Dartmouth its self is 3 km further on.

Camping: Caravan Park in Dartmouth or anywhere that does not have a no camping sign.

Other accommodation in Mitta Mitta township

Water: Class: III classic race is approx. 3.5 km

Release flow should be 3000 ML/day

The put in is located 100m downstream of the **regulating dam** on Lake Banimboola. The river will be used for both the sprint (200m – 300m long class III rapid 'sharks-tooth') and classic.

Mitta classic finish
