## Canoeing Victoria - Marathon - 2015 Championships - Schools - Morning - Essendon (Singles \& Doubles) - 22-Mar-2015 - Provisional Results

## Notes:

1) Please contact Joe Alia (aliatec@alphalink.com.au) or John Young (marathon@canoevic.org.au) if you believe there is a mistake in the results
2) Race points are awarded based on boat speed adjusted for age, gender, craft type and distance (this is called the handicap boat speed).
3) The fastest paddler based on handicap boat speed on the day scores 100 race points, the slowest paddler scores 1 race point. Other paddlers are ranked in between.
4) Paddlers accrue race points for their own personal series total regardless of the division or class they race in.
5) Paddlers only earn race points for their club (and school) if they paddle in their correct division or higher (i.e. a Div 5 paddler needs to paddle in Div $5,4,3,2$ or 1 to earn club points) and finish. 6) Club points are awarded based on the race points of the highest scoring club member in each division or class (this is to avoid favouring larger clubs with more paddlers)
6) Clubs also acrue one participation point for each paddler from that club that finishes the race.
7) Likewise for school points.
8) Handicap speed is the equivalent speed of an open male K1 paddler paddling 8 km after adjusting for actual age, gender, craft type and distance paddled.
