Notes:

- 1) 1 participation point for each paddler completing the race (no points for DNF, DSQ)
- 2) Race points based on the top six paddlers from each club in each race (singles for singles races, doubles for doubles races)
- 3) Race points based on handicap adjusted boat speed (100 for fastest adjusted speed, 1 point for slowest, others pro-rated in between)
- 4) Race points for doubles crews split evenly between crew members
- 5) Race points restricted to the top six paddlers from each club in each race to avoid unduly favouring larger clubs
- 6) Participation points awarded to reward clubs supporting races
- 7) Club points = race points plus participation points
