17-20 October 2019 World Championships

1st Bulletin is available on the event website:
<http://en.worldchampionships2019.net/>

SELECTION CHANGES FOR CANOE MARATHON TEAM

2019 will bring a different method with the Team selection process.

There is no longer a requirement to nominate or pay a nomination fee.

Athletes will need to perform to the standard in the Selection Criteria to receive an invitation to be part of the Team.

Acceptance of the invitation in the defined timeframe ensures an athlete a place on the Team.

There will be 3 training camps for Team members – the one on 27 and 28 July 2018 is compulsory.

With the introduction of a short course for Senior Men and Women in K1 and C1 at the World Championships, the Selection for this will occur at GP#2, 8 and 9 February 2019, Penrith, NSW. One will be able to enter for the Short Course event and not the whole of GP#2.

MASTERS WORLD CHAMPIONSHIPS

The ICF has approved the elevation in status from World Cup for Masters to World Championships for Masters.

Apart from the name change there is not much else that changes. There are no restrictions to the number of Masters that can enter from one National Federation.

With that said, Masters will have to achieve a level of performance to be selected into the Australian Team.
