Novice Race - New Event

Very excited to be holding a new novice event at the 2020 Australian Canoe Marathon Championships to be run by Paddle Victoria Marathon. The purpose of this event is to provide an opportunity to introduce new paddlers to competitive events in a fun environment.

The format is a 3 x ~1 km relay, using the final short lap and bottom turn of the long distance course. There are a few rules in the interests of fairness and inclusion which are all detailed on the Webscorer Registration page.
