SUNDAY, 22ND MARCH 2020 MARATHON “READY TO RACE” SKILLS CLINIC

Bendigo Canoe Club, Lake Weeroona, Bendigo

PV Marathon is running a racing skills clinic aimed primarily at supporting junior and U23 paddlers, regardless of racing experience, as well as older paddlers keen to improve their K1 or K2 racing skills. This is not a technique-focused session but is intended to complement the formal training or coaching programs in which paddlers may already be involved. The clinic will be held after the 2020 PV Marathon Short Course Championships at Bendigo Canoe Club on Lake Weeroona. The clinic will be led by Kate and Mick Leverett. Afternoon tea will be provided.
