## 5km Long Lap - Yellow Buoys:

The long lap is a 5km circuit on the Murray River, starting at the Yarrowonga Caravan Park boat ramp, paddling downstream on the right of the river for 2.5km to the Yellow turning buoys turning anticlockwise and paddling back upstream on the right-hand side. The portage is at the Green Patch boat ramp. The upstream anticlockwise turn is just before the Caravan park boat ramp.

## 2km - Short Lap - Green Buoys:

The short course also starts at the boat ramp and paddles downstream, but turns at the green buoy at the 1km mark then returns upstream to finish.

## Finish - White Buoys:

On the last lap the finish will be UPSTREAM, level with the boat ramp, between 2 white buoys. Do not go around the upstream yellow buoy before finishing.

## Portage:

Portage for ICF craft in Divisions 1 to 5. Portage length is approximately 100m. Bonus club points for any paddler who portages, regardless of division (i.e. even if your class or division doesn't have to portage, you can earn bonus points for your club if you portage).
