

# PADDLING CAMP

Saturday-Monday, 17-19 September 2022

Bairnsdale

This 3-day camp is for all ages and paddling abilities. Based in Bairnsdale, it is an opportunity to paddle on the Mitchell, Nicholson and Tambo Rivers and, weather permitting, to paddle along the picturesque silt jetties (watch this drone footage for some inspiration <https://www.youtube.com/watch?v=wPAusQW3LUU>).

For paddlers seeking to improve their paddling technique, we will be conducting skills sessions over each of the 3 days.

Although we have a full itinerary, you do not have to participate in every session. On the Sunday afternoon there is an option to explore the local winery, visit Metung or to just relax somewhere peaceful. We will organise several group BBQs and meals in town as an opportunity to enjoy the company of fellow paddlers.

## Accommodation

Accommodation is at the Bairnsdale Riverside Caravan Park (include camping, your own caravan or a cabin) or alternatively, there are many other accommodation options in Bairnsdale. We can assist with reservations but you will need to confirm and pay directly with the facility.
